8/28/19	Avery Murdie	We would like to know how many Clarke County School District (CCSD) students have their cases/situation referred to the Juvenile Court system each year for the past five (5) years, from 2014-2018. We would also like to know the age, race, and sex of each CCSD student who has their case moved to the Juvenile Court. Ultimately, we just want a more accurate picture of what the CCSD student population entering the Juvenile Court system looks like. How many students are referred to the Juvenile Court? What are the demographics of these students who are referred? And what caused them to end up in the Juvenile Court system?
