

OUR VISION

Building a culture of high expectations and equity in which all students grow academically and socially to improve our community and our world.

OUR MISSION

The Clarke County School District is an ambitious community of learners in a diverse and culturally rich county. We are committed to equity and excellence through the implementation of rigorous standards in a safe and supportive environment — on every campus, in every classroom and for every child.

OUR DRIVING FORCES

OUR CORE BELIEFS

Public education is central to our democracy. To fulfill the promise of public education, the Clarke County School District has a fundamental set of beliefs that serves as a lens through which every decision is made and every action is taken.

These beliefs are the backbone of our organization. CCSD believes that:

Equity, access and progress towards excellence are basic rights that must be afforded to every individual in our system.

Mission-driven, diverse and creative staff make the critical difference in student achievement, and they must be successfully recruited and retained.

Students, families, staff and the broader community benefit mutually from active engagement with one another.

Safe, nurturing and well-maintained schools/campuses are required for optimal learning.
