Student Support Updates

Office of School Nursing

Student Support Updates

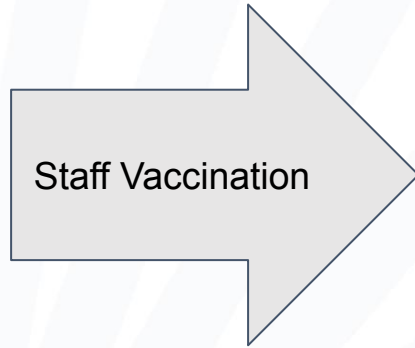

- [Clarke County Monitoring Data](#)
- CCSD Staff Vaccination Effort
- Student and Staff COVID testing
 - CCSD is planning a potential partnership with UGA to provide testing for symptomatic students and staff.

Instructional Services and School Performance

School Reopening: Pathway to Full Reopening

CCSD will conduct school/department vaccination days for staff that are interested in receiving the vaccine.

CCSD will review county positivity rate: below 5% or less than 200/100k.

**SPED may return before this threshold is met.*

 - CABER (M/T)
 - Compass/Rise (M/T and Th/Friday)
 - Deaf and Hard of Hearing (M/T and Th/Friday)
- 16 campus sites
 - 11 ES sites, including OEL
 - 3 MS sites
 - 2 HS sites

Preparation for OEL, PreK-Grade 12

- Reopening registration for parents with due date of **February 11, 2021.**
 - Instructional model selection will last until the end of the year.
- Elementary, middle school bell schedules will remain the same.
- High schools will have a reduced school scheduled, 9 a.m.-1 p.m.
- Students will receive synchronous and/or asynchronous instruction when not in school.

School Reopening: Increased Mitigation

- Provide the vaccine to all staff
- Smaller numbers of students and staff in building for extended amount of time.
- Wednesday will be designated as a cleaning day and an opportunity to conduct contact tracing if needed.
- COVID testing for symptomatic staff and students
- Additional face shields for all staff

Next Steps
