Dear CCSD Parent/Guardian,

As a parent of a child who receives special education services, we value your input and want to reassure you our team is working diligently to be prepared to serve your child and meet his/her individual needs when school resumes. Thank you for your patience and flexibility as we navigate this unprecedented time together. The health and safety of our students and staff remain our top priority.

The initial district plan was presented to the CCSD Board of Education on Thursday, July 9, 2020. Immediately following the meeting, our team began working to create a survey as well as a FAQ document specially designed for families of students who receive special education services. Embedded in this document is a survey to help us plan and prepare for individual student needs. The survey will be open through Friday, July 24, 2020. The Board of Education is scheduled to meet Thursday, July 16, 2020 in a specially called board meeting. Based on decisions made during this meeting, the district will ensure our FAQ document is updated. You can expect this information to be shared with you by Monday, July 20, 2020.

We appreciate the partnership you have allowed us to build with you as we work collaboratively to serve your child(ren). We do not take this responsibility lightly; we are continually working to communicate with transparency and thoughtfulness. Please help us ensure your voice is heard and complete the [survey linked here](#).

Respectfully,

Heidi Hill
