

July 14, 2020

Dear Clarke County School District Community,

The purpose of this communication is to provide an update regarding decisions for reopening school.

1. Thursday, July 16, the Board of Education will hold a called meeting to discuss changing the school calendar. The district cannot make any decisions regarding a proposed new start date (or subsequent calendar changes) without board approval.
2. Registration to select in-person or distance/digital learning will be postponed until a start date has been approved.
3. Friday, July 17, the Task Force will communicate the school start date and additional details on instructional options.
4. Staff and parents will have the opportunity to provide feedback as planning continues. The Task Force will conduct virtual "Town Hall" style meetings with CCSD staff and parents/guardians.
5. There is a new menu item on the district website titled "[Reopening Info](#)," containing all of the information made public to date. The Task Force created a [FAQ](#) document to address some of the common questions/answers. The Task Force will continue to provide updates as decisions are finalized.

This information has been shared with our staff and posted to our district website. Please feel free to contact me with questions.

Best regards,
