

Clarke County School District

Dear Parents,

This is an unprecedented time. Therefore, I want to offer resources for home use. These resources are available for speech-language practice. I've adapted this list from school districts nationwide. The CCSD Speech-Language Pathologists encourage you to have your child continue practicing his/her communication skills during this break.

*Dwayne Cumbus, M.Ed., CCC-SLP
Lead Speech-Language Pathologist
Clarke County School District*

[PBS Learning Media](#)

What It Is: This site uses curated PBS videos along with lesson plans, interactive materials, and more to cover lots of subjects in an engaging fashion. PBS Learning Media is always free for teachers. [Sign up here.](#)

[Scholastic](#)

Scholastic Learn at Home website provides students with approximately 20 days worth of learning journeys that span various content areas. Students get approximately three hours of learning opportunities per day, including projects based on articles and stories, virtual field trips, reading and geography challenges, and more. This service is free and limits printing materials for those who don't have adequate access. [Learn more here.](#)

[ReadingIQ](#)

ReadingIQ is a comprehensive digital library offering books, magazines, comics, and more for kids from ages 2-12. It's a smart replacement for library time right now and makes it possible for teachers to monitor what and how much their students are reading. Age of Learning is offering ReadingIQ free to schools closed due to the outbreak. [Contact them here for more information.](#)

[Freckle](#)

Online learning resources for younger students are easily differentiated for students of different ability levels. Adaptive math and ELA courses are always available for free for teachers and students. [Sign up here.](#)

[BrainPOP](#)

BrainPop offers in-depth learning on topics across the curriculum for upper elementary and middle school students. Each topic includes videos, quizzes, related reading, and even coding activities. Teachers have access to planning and tracking resources too. They also offer [BrainPop Jr.](#), specially designed for younger kids. All schools get free access to their [COVID-19/coronavirus online learning resources](#) for talking to students about the topic. Any school closed due to the outbreak can receive free unlimited use of BrainPOP during their closure. [Contact them here.](#)

[ABCmouse Early Learning Academy](#)

This comprehensive program covers a wide variety of subjects for students aged 2-8 (Pre-K through second grade). It offers more than 850 self-guided lessons across 10 levels. A companion program focuses on teaching English as a second language for this age group. [ABCmouse for Teachers](#) and [ABCmouse for Schools](#) are always free for all schools and teachers in the U.S. In another country? [Contact them here to see what they offer if you're closed due to COVID-19/coronavirus.](#)

[Newsela](#)

Getting free access takes just one-step. Simply visit our [COVID-19 resource center](#), click "Get instant access", and you'll immediately see [Newsela ELA](#), [Newsela Science](#), [Newsela Social Studies](#), and [The Newsela Social-Emotional Learning Collection](#) in your Newsela account. If you don't have a Newsela account, you'll be able to set one up in minutes.

GAMES AND ACTIVITIES THAT PROMOTE LANGUAGE DEVELOPMENT

- Uno (Colors and Numbers)
- Outburst
- Scattergories
- Scrabble
- Clue
- Boggle
- Develop an "All About Me Book"
