## December 2020 Employee of the Month

"Mr. Barry Johnson is the driver of bus number 336, serving J.J. Harris Elementary and Coile Middle. Mr. Johnson takes so much pride in what he does and will go to every effort to make sure all students are picked up and delivered home safely and on schedule. For over five years, Mr. Johnson has been part of the CCSD team, always the first to volunteer if a student missed the bus in the morning or required additional assistance in the afternoon."

## December 2020 Employee of the Month

"At the end of every day, he is part of the team assigned to sanitize all buses to make sure our students are safe from the virus -- another example of how Mr. Johnson will do anything for the students of Clarke County.

Mr. Johnson has a loving and endearing spirit. The students refer to him as 'Grandpa' because of the love he shows them.

The Transportation Department is enhanced by having such a dedicated employee as part of our team." ~Entry Submission
