To Honorable May Conner,

I am writing to declare my support of Mrs. Mary P. Bagby as candidate for the position of "Board Member" representing the District 2 the district she has lived in and served for more than forty years. I do not live in District Two but I do own property and have family in that district.

Mrs. Bagby is passionate about all she does for the people of her community. She strives to keep all her constituents informed of all politics and the inner workings of city government that affect the people.

She makes sure all persons know what's going on in all factions of their community. She's passionate about what is right and always speaks out for the less fortunate. She's a well informed individual because she keeps herself abreast of all that goes on in our community.

In addition Mrs. Bagby is an ordained minister and uses the doctrine to keep people spiritually grounded. She has a ministry "Sound Doctrine" and this ministry provides persons food, clothing and shelter and always the knowledge of what is right.

I have been blessed to watch Mrs. Bagby work on behalf of the less fortunate and indigent. She works tirelessly to make sure all human beings are "alright!"

I met Mrs. Bagby about fifteen years ago at a Clarke County School District Board Meeting. (Mitchell Bridge Road) She will speak her mind and always keeps her district informed. She's always involved in those things that will improve her district which she loves dearly.

For several years I've been involved in her Christmas Eve Community Breakfasts held in the Resource Center on Vine Street. This continues to be a successful venue. Mayor Shirts, the Honorable Eric Norris, and other notable persons have attended and they along with persons of the community exclaim "Elder Mary always helps the community!"

I feel Mrs. Mary Bagby is the best person to fill the position.

Sincerely Yours,
Auelia C. Scott

To Whom It May Concern:

Athens-Clarke County Board of Education

Athens, Georgia 30606

Dear Sir(s):

This letter is written in support of Mrs. Mary P. Bagby of 1442 East Broad Street, Athens, Georgia.

She is desirous of running for the East Athens District 2 Board of Education seat ~~for the 2023 election~~.

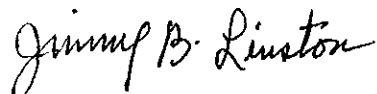

I support her because she is so passionate about helping the East Athens community and all our children. She is familiar with her city and her neighborhood, having resided in the same house for over 40 years.

She is very active in the local community and attends numerous meetings to stay abreast of all that affects our city. She realizes that most of our city's problems can be greatly reduced or largely alleviated by improving the educational opportunities of all our citizens. She will work hard to get more parental and community involvement in our local schools. She realizes that teachers and administrators cannot possibly do it alone. It is going to take everyone in this endeavor.

Mrs. Bagby personally gives out food, school supplies, books and other necessities in the community. Her community involvement hasn't gone totally unnoticed, as she was featured in "Sitting With Athens' Elders: Stories of Black Americans," an exhibition by Broderick Flanigan in January, 2017.

I believe that Mrs. Bagby has the passion to work incessantly to see that the educational needs of our children are paramount. I further believe that she will articulate policies and engage with parents and administrators to effect that end.

Sincerely,

Jimmy B. Linston

Local Elder

Mt. Olive S.D.A. Church

To whom it may concern,

My name is Carolyn Cummins and I am a resident and constituent in District 2 in Athens, Clarke County (ACC). My partner, Zeb Hammerly, and I have known Ms. Mary P. Bagby as our neighbor and friend for the past 2 years. In our time knowing Mary, we have found her to be an engaged member of the Athens community, an involved District 2 constituent, and most importantly, a kind-hearted, caring person who we are lucky to have as our neighbor. It is without reservation that I recommend Ms. Mary P. Bagby to serve on the District 2 Board of Education for ACC

Despite her busy schedule, Ms. Bagby is an extremely engaged member of her community. She attends numerous public meetings and organizes community events for District 2 residents, such as to spread awareness for public health campaigns. Also, one of Ms. Bagby's most significant contributions to the ACC community is through her food and toys ministry, which she runs out of her car. Through this ministry, Ms. Bagby has provided much-needed supplies to countless families in ACC. Ms. Bagby is also a longtime District 2 resident and has grandchildren in the ACC school system. It is more than clear that Ms. Bagby cares deeply about the well-being of our community, and especially that of ACC youth.

As a member of the school board, I have no doubt that Ms. Bagby would stand up for the children of District 2, stay abreast of community events and happenings relevant to the school board, and give generously of her time in service to the schools. She is a kind, welcoming, caring, and passionate individual, and as a District 2 resident, I would be excited to have her on the school board.

If you have any questions about this letter, you may reach me via email at
Thank you for your consideration.

Sincerely,

Carolyn Cummins
