

**Clarke County School District
Better Every Day Grant Program
2019-2020**

The Local School Governance Team Better Every Day Grant program supports the implementation of schools' growth plans. Each LSGT has the opportunity to design and/or invest in an initiative that aligns with one of the priorities outlined in its growth plan. The grant initiatives focus on three areas:

- Literacy
- Numeracy
- Social-Emotional Learning

For the 2019-2020 school year, the district is dedicating approximately \$596,000 to support LSGT grants.

Directions

Please complete the application below and submit it to lsgtgrants@clarke.k12.ga.us. There are four submission deadlines for the 2019-2020 school year:

- September 13, 2019
- October 15, 2019
- November 15, 2019
- February 14, 2020

Applications should be submitted by principals. If another LSGT member submits the proposal, it must be accompanied by a statement from the principal approving the submission. Co-chairs must also submit a statement of support for each proposal.

The grant review committee will review proposals the week after submission deadlines. To expedite the review process, the committee may request a conference call with principals and/or other staff or LSGT members to answer follow-up questions.
